PROFESSIONAL SUMMARY

Dedicated and reliable retail professional with hands-on experience as a Sales Associate, Mart Picker and Customer Service Representative. Proven ability to manage product picking and restocking efficiently, assist customers with product selection, and resolve inquiries or complaints to ensure high customer satisfaction. Strong communication skills, attention to detail, and a customer-first attitude contribute to maintaining a well-organized store and a smooth shopping experience.

WORK EXPERIENCE

- **SALES ASSOCIATE (RAFEEQ MART, DOHA, QATAR) -** 6 September 2025 – Present

  - Handled cash and card transactions efficiently using POS systems.
  - Experienced in inventory management, including stock control, tracking, and reconciliation to ensure accurate and efficient operations.
  - Using Mycom software as proper way.
  - Maintained proper shelf organization, pricing accuracy, and product displays.
  - Monitored stock levels and coordinated with the team for timely replenishment.
  - Resolved customer inquiries and complaints professionally to maintain customer satisfaction.
  - Supported promotional campaigns and special offers within the store.

- **ORDER PICKER AT MART (TALABAT HERO STORE ABU DHABI - UAE)**
  2023– 2025
  - Accurately picked and packed customer orders from store shelves based on online or in-store pickup requests, ensuring product freshness and proper packaging.
  - Verified product codes, quantities, and conditions to ensure correct and damage-free items were selected.
  - Maintained inventory accuracy by reporting low stock, misplaced items, and product shortages to supervisors.
  - Operated barcode scanners and handheld devices to track orders and update real-time status in the inventory system.
- **SALES ASSOCIATE (GELANI MART PAKISTAN)**
  2020– 2023
  - Assisted customers in finding products, provided excellent service, and handled transactions efficiently at the cash counter.
  - Maintained cleanliness and organization of shelves, ensured stock availability, and managed inventory updates.
  - Supported promotional activities and met daily sales targets through effective communication and product knowledge.
